CARLEP is a ‘Commercial Agriculture and Resilient Livelihoods Enhancement Programme.’ It is seven years (2016-2022) programme financed by International Fund for Agricultural Development (IFAD) and to be operated in the six Eastern Dzongkhags. CARLEP aims to facilitate the transformation of a subsistence-based rural agriculture economy into a sustainable value chain and marketing driven productive sectors by promoting climate smart approaches in agricultural Production.

CARLEP will work in association with various implementing agencies including ARDC, RLDC, FCBL, RAMCO, SJI and the Dzongkhag and Geog administrations in reaching to its targets and objectives.

Therefore, for smooth communication, coordination and collaboration, CARLEP “Networking and Keeping Connected” provides the basic information of the implementing partners, PABX and fax number, their workplace, designation, phone number and the email addresses.

We hope this directory will be useful and handy in terms of use. Please do not hesitate to contact each other as effective communication and dialogue matters a lot for smooth and successful implementation of the Programme.
